### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independent Auditor's Report – continued**

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2014

### 1. Summary of Significant Accounting Policies

#### Purpose

The Pathway Home, Inc. (the "Organization") was organized as a nonprofit corporation under the laws of the State of California in 2012. From October 2007 until July of 2013, the Organization operated as a program of the Tides Center of San Francisco, California, which is a California nonprofit corporation. The mission of the Organization is to provide comprehensive treatment for our nation's military personnel who have served in Iraq and Afghanistan. The Organization assists those impacted by Post Traumatic Stress (PTS), Traumatic Brain Injury (TBI), and other post-combat mental health challenges to successfully reintegrate into their families and the community at large.

The Organization generates the majority of its funding through contributions and events.

#### Basis of Accounting

The Organization prepares its financial statements using the accrual basis of accounting in accordance with generally accepted accounting principles. Revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which they are incurred. Generally accepted accounting principles require that the Organization present information about its financial position and activities in three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

#### Unrestricted net assets

Unrestricted net assets include unrestricted contributions and unrestricted income earned on funds.

#### Temporarily restricted net assets

Temporarily restricted net assets include resources restricted by donors for specific purposes. These restrictions may expire with time or may be satisfied by actions of the Organization according to the intention of the donor. Any temporarily restricted revenues whose restrictions are met in the same reporting period are shown as unrestricted support. When a donor-imposed restriction expires, that is, when the time restriction ends or the purpose restriction is accomplished, then temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2014

### 1. Summary of Significant Accounting Policies - continued

#### Permanently restricted net assets

Permanently restricted net assets represent contributions of cash and other assets restricted by donors with stipulations that the corpus of the donation may never be expended. The Organization held no permanently restricted net assets as of December 31, 2014.

#### Use of Estimates

The preparation of financial statements in conformity with Accounting Principles Generally Accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could be different from those estimates.

#### Cash and Cash Equivalents

Cash and cash equivalents includes all cash balances and highly liquid investments with original maturities of three months or less at acquisition and are not legally restricted. Periodically, such investments may be in excess of federally insured limits.

#### Property and Equipment

Property and equipment are stated at cost, or if donated, at the estimated fair value on the date of the donation. Depreciation is computed using the straight-line method over useful lives ranging from five to seven years. The Organization capitalizes property and equipment with an initial cost of \$1,000 or more and an estimated useful life in excess of one year.
